

# Red Pine Times

December 2004

Happy Holidays

## 2004 a great year at RPC

Red Pine Camp enjoyed a very successful year in 2004. The camp was filled to capacity. The staff was top-notch. The food was plentiful and good. And the facilities were excellent.

The weather, on the other hand, was out of our control.

Fortunately, Red Piners know how to have a great time even when skies are grey!

Among improvements planned for the 2005 camping season at Red Pine:

- an **addition to the playstructure** near the Tuck Shop;
- **renovations to the wash-rooms**;
- new runner docks and **waterfront enhancements**;
- **new motor** for the rescue and ski boat;
- **refurbishment of the Chalet**; and
- **two defibrillators**.

We look forward to seeing you at Red Pine in 2005!

## Application deadlines approaching for staff jobs

Applications will be accepted until Dec. 15 for 2005 Senior Staff positions at Red Pine Camp.

Senior Staff job descriptions are available through the camp office or on the website.

The camp is pleased that Nancy Thomson will return as Co-ordinator this year. She will be ably assisted by Assistant Coordinator Dave Williams.

Most Senior Staff interviews will be conducted during the third week of December in Ottawa.

New this year, the camp will implement a staff-wide non-smoking policy. The policy began with junior staff members last year and will be extended to include seniors.

Junior staff applications will be accepted at the camp office until Jan. 31. Application materials for 16- and 17-year-olds are available through the camp office. Junior staff interviews will be conducted in Ottawa and Toronto in February.
